

# Andrea Jean Music

Andrea Jean (DeVriendt) is an Indie singer/songwriter based out of New York City. She has been singing and performing across the USA since 2017 in shows such as Ring of Fire, The Medora Musical, Divas Through Decades and spent a year performing at Dollywood. In the past year she has played the prestigious Listening Room Cafe in Tennessee and Rockwood Music Hall in NYC. This summer she performed at the Illinois State Fair and the Westerleigh Folk Festival, along with many NYC venues. She can be seen monthly at Greats of Craft in NYC.

Described as an Urban Cowgirl, with fresh, smooth and authentic vocals and lyrics, she beautifully fuses together folk and country with a bit of pop and blues. She's been featured on Buzz Music, Nash News, We Write About Music and has played gigs across the country including Chicago, Wisconsin, Tennessee and New York.

Andrea Jean released her single "Cowboy Man" in November 2022, her new single City Girl Magic was released November 30th 2023. She is back in the studio and is working on her upcoming EP to be released in 2024.
